COMPANY PROFILE

TAKING SPECIAL CARE OF YOU

Yorkshire Care Equipment is an independent, family business established in 1972. Over the years, our business has built a solid reputation amongst both the public and professionals for providing a trustworthy and caring service. Our wealth of experience enables us to match your needs and provide invaluable advice on the wide range of products available.

Equipment demonstrations or site visits can be arranged with no obligation.

Our Statement

1. To care for our customers and provide, at a fair price, the very best products for substantially enhancing the users' quality of life.
2. To back up this excellent service by maintaining a financially sound and ethical business.

BATHING

Yorkshire Care Equipment offers a complete design and installation service for level access showers and bathroom adaptations. Work is carried out with minimum disruption to the client aiming to give complete customer satisfaction. 'NO OBLIGATION' assessments are offered to ensure you are provided with exactly the right product for your needs.

We have an extensive range of bath-lifts for use in existing baths.

Yorkshire Care Equipment supplies specialist, height adjustable and walk-in baths. Bespoke shower chairs are also available for those who need to be hoisted or have poor mobility.

BEDS

Yorkshire Care Equipment supplies profiling beds and mattresses at competitive prices to nursing homes and the community over the North of England. There is a choice of both modern or traditional style divan beds which can be tailored to suit your needs. Many of these beds are in stock and available for quick supply and installation.

From standard foam mattresses to alternating air mattresses, Yorkshire Care Equipment can provide you with the pressure relief required. We also supply various bed aids and rails to make life easier.

FURNITURE

Yorkshire Care Equipment supplies a versatile range of furniture to meet your requirements. Anything from full nursing home fit outs to the supply of individual items such as wardrobes, curtains or dining chairs to match your existing decor can be provided.

A leading supplier to end users, nursing homes, hospices and hospitals.

HOUSEHOLD

Yorkshire Care Equipment stocks a huge selection of household items to make daily living easier. These can be delivered direct to the user by mail order or seen in one of our showrooms. The comprehensive range includes dressing aids, rehab equipment, comfort products and kitchen and dining equipment as well as general household items.

MOBILITY

Yorkshire Care Equipment's specialist advisers will ensure that the most suitable wheelchair or mobility product is provided. Wheelchairs can have special seating systems and be tailored to suit the user. Scooters, wheelchairs, wheeled walkers and many other mobility products can be tried in our showrooms.

We have a wide range of ramps and other access equipment which can be adapted to suit your needs.

Whether the client needs a walking frame or a full scooter assessment, the same caring service is available.

MOVING & HANDLING

Yorkshire Care Equipment offers a comprehensive range of hoists including overhead, bath, gantry, mobile and standing hoists. Our own trained engineers carry out installations and servicing in an efficient and professional manner.

Yorkshire Care Equipment supplies transfer equipment to hospitals and the community in the North of England. A number of exclusive products are sourced from abroad and there is a wide range of well known brands at competitive prices.

SEATING & BACK CARE

Yorkshire Care Equipment works closely with professionals and therapists in the North of England, providing specialist seating. There is a versatile range of functional chairs to accommodate various postural requirements. Back care is one of our specialities, and we have an assortment of products to suit individual needs.

Yorkshire Care Equipment supplies office chairs which can be tailored for each individual.

A leading supplier of chairs to hospitals, hospices, nursing homes, local authorities and the community. We are able to incorporate different types of pressure relief, removable arms, alternative seat lifts and various recline mechanisms into our riser/recliners. Chairs are tailor-made to suit people of every height and weight.

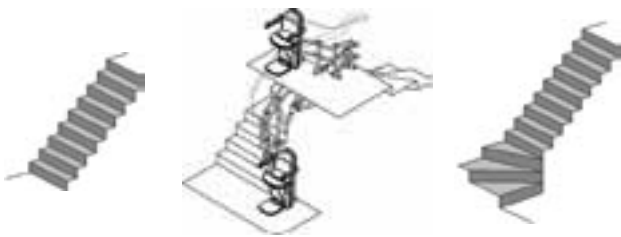

STAIRLIFTS

Yorkshire Care Equipment supplies and installs stairlifts throughout the North of England. We will be pleased to arrange a 'NO OBLIGATION' site survey at your convenience. Our own trained engineers carry out the installations in a skilled, efficient manner. You can have confidence in the complete back-up service offered.

Reconditioned models are offered as a less expensive alternative.

TOILETING

Yorkshire Care Equipment supplies a wide range of products to make toileting easier. We are able to supply anything from a raised toilet seat to a more sophisticated piece of equipment such as a wash/dry toilet or electric toilet raiser.

Yorkshire Care Equipment stocks a large range of incontinence products, commodes, toilet seats, toilet frames, and many other associated products.
